BRINGING WONDERFUL TO LIFE

A PLAYFUL AND THOUGHT-PROVOKING KEYNOTE

This is certainly not a traditional 'keynote speech'. Instead, enjoy stepping inside an exciting new playground to experience illuminating and refreshing insights that will make your business shine with **Wonderful**.

Peter playfully examines what happens to organisations when they possess the most vital element - 'emotional connection'. This means businesses filled with Wonderful, what they look like and what they feel like. Most importantly, how their bottom-line sparkles as a result of a buzzing team-spirit and tantalising customer experiences.

Fasten your seatbelts for inspiring storytelling that uncovers practical examples and irresistible permission. Venture beyond the boredom of normal and revive your creativity with the most essential of secrets - mastering the art of business with heart.

Relish a thought-provoking and highly memorable performance, that's bursting with ways for Bringing Wonderful to Life (without needing extra budgets to do it)!

RELISH THREE WONDERFUL GEMS

In this fun and engaging learning experience, attendees will love:

- ★ Refreshing techniques to uplift your business with heart and joyful team-spirit.
- ★ The breathtaking business value and importance of being serious about fun.
- ★ New exciting ways to go higher and give your customers goosebumps from your service.

HOW THE KEYNOTE IS RUN

For the full experience, **Bringing Wonderful to Life** is recommended as a 75 minute performance. It is, however, possible to craft this as a shorter version.
